Dec 5	Sat	<p>Chapter Mileage Incentive Program Ends</p> <p>The Chapter Mileage Program deadline has been extended and ends today deadline is now: December 5, at 4:00 PM. You can have your bike's year mileage checked at HDW any time during normal HDW Service Department hours. Bring your bike around back to the service entrance, and ask the Service Department to check you in! Or, have any Chapter officer verify your mileage between 12:00 and 4:00 PM on December 5, 2009. Details are as follows: Chapter Mileage Incentive Program Fort Washington Maryland Chapter Harley Owners Group Purpose: To provide rider incentives and encourage Chapter members to ride more often. The National Harley Owners Group's Mileage Merit Program provides various incentives to riders and passengers of their motorcycles upon accumulating specific mileage levels. This program is perpetual, whereas a member's mileage carries over from year to year. We encourage all Chapter Members to participate in H.O.G.'s Mileage Merit Program. Information about this program can be found at www.hog.com. Washington Maryland Chapter's Mileage Incentive Program will reward Chapter Members who reach specific levels in a single calendar year. Each Chapter Member who is interested in participating will have their motorcycle's actual mileage verified by any Chapter Officer at any Chapter Event after December 1 of the preceding year. The motorcycle's ending mileage must be verified by a Chapter Officer no later than December 1 of the program year. Passengers who are Chapter Members will be eligible to participate in the program by registering the motorcycle which they usually ride. Grand prize: The participant who accumulates the most mileage in the calendar year will be declared the "Chapter Mileage Prize Winner", and their name and mileage will be recorded on the Mileage Merit Program board in the HOG Room. If a couple is the year end winner, both names will be on the board. A Harley-Davidson of Washington, DC, gift certificate for a free rear tire and tube will be awarded to the Grand prize Winner. All labor is to be paid by the winner. Drawing: Upon calculating the total mileage accumulated, each member will be given one chance in a year-end drawing for each 2,500 miles accumulated (for example, at 5,000 miles, 2 chances; at 30,000 miles, 12 chances; etc...) The number of prizes awarded will depend on the number of participants, as well as the actual Chapter year-end finances. These specific guidelines shall be followed regarding the prizes: Each prize will be a \$100.00 gift certificate that the winner will purchase from Harley-Davidson of Washington, DC. Each Chapter Member may win only one \$100.00 gift certificate. The Grand Prize Winner will also be eligible to win a \$100.00 gift certificate, in addition to winning the rear tire and tube. The total combined cost of all prizes shall not exceed 10 percent of the projected year-end treasury balance as of December 1 of the program year. The ratio between the number of prizes awarded and the number of total chapter chances will not be less than 1 in 20. The drawing will be held at the annual Fort Washington H.O.G. Holiday Party. The participants need not be present to win.</p>
